SEASON SIX

DISC ONE

TIME'S ARROW, PART II The Enterprise crew travels between the 19th and 24th centuries in an attempt to prevent Data's death.
REALM OF FEAR Lt. Barclay is forced to confront his paralyzing fear of being transported when he sees creatures in the matter stream.
MAN OF THE PEOPLE Troi is drastically transformed when a visiting ambassador secretly uses her to achieve his aims.
RELICS Trapped in a transporter for 75 years, Scotty materializes in the 24th century and assists the crew in escaping from a Dyson Sphere.
SCHISMS The Enterprise crew have frightening memories of being abducted and experimented on by aliens from a subspacial domain.

DISC TWO

TRUE Q A gifted young intern learns of her true heritage when Q arrives to evaluate her potential as a Q and trains her to join the continuum.
RASCALS A bizarre transporter malfunction transforms Picard and three others into children just as the Ferengi invade and disable the ship.
A FISTFUL OF DATAS A Holodeck mishap sends Worf and his son into a Wild West showdown with a villian who's a dead ringer for Data.
THE QUALITY OF LIFE Data risks Picard and Geordi's lives in order to protect robotic devices which he suspects may be sentient.

DISC THREE

CHAIN OF COMMAND, PART I After resigning his command for a secret mission, Picard is taken hostage by the Cardassians.
CHAIN OF COMMAND, PART II Under the command of Edward Jellico, the Enterprise attempts to rescue Picard, who is tortured.
SHIP IN A BOTTLE When Moriarty is re-awakened and able to leave the Holodeck, he holds the crew hostage until his demands are met.
AQUIEL Geordi falls for a beautiful and mysterious Starfleet lieutenant who's assumed to be dead, until she's found and accused of murder.
FACE OF THE ENEMY Forced to impersonate a Romulan intelligence officer, Troi becomes a pivotal part of a secret defection scheme.

DISC FOUR

TAPESTRY After Picard loses his life in a surprise attack, Q gives him the chance to change his destiny by reliving his life as a young ensign.
BIRTHRIGHT, PART I While Worf learns his father Mogh may still be alive, Data has strange visions of his late father Dr. Soong.
BIRTHRIGHT, PART II Imprisioned in a camp of peaceful Klingons and Romulans, Worf shows the younger Klingons their lost heritage.
STARSHIP MINE While the Enterprise is bombarded with lethal rays, Picard is trapped on board with a band of interstellar thieves.
LESSONS Picard is torn between love and duty when he is forced to send the woman he cares for on a potentially deadly mission.

DISC FIVE

THE CHASE Picard finds himself in a race with Cardassians, Klingons, and Romulans to solve a four-billion-year old genetic puzzle.
FRAME OF MIND Trapped in an alien mental hospital with little memory of the past, Riker is convinced he is going insane.
SUSPICIONS When a pioneering Ferengi scientist is found dead, Beverly risks her career to prove he was murdered.
RIGHTFUL HEIR Worf finds his faith sorely tested when it appears that Kahless has returned from the dead to reclaim the Empire.
SECOND CHANCES Riker encounters an identical transporter double of himself who tries to rekindle a relationship with Troi.

DISC SIX

TIMESCAPE Picard, Data, Geordi, and Troi must figure out how to rescue the Enterprise—frozen in time on the brink of destruction.
DESCENT, PART I When the Borg return, they boast a new fierce individuality and tempt Data when they help him feel his first emotion.
