SEASON THREE

DISC ONE

EVOLUTION The crew fights for survival when potentially sentient microscopic robots attack the ship's life support systems.
THE ENSIGNS OF COMMAND Data races against time to save a human colony that's been marked for death by aliens.
THE SURVIVORS The crew travels to a remote colony where two of its 11,000 inhabitants have inexplicably survived a devastating attack.
WHO WATCHES THE WATCHERS Believing Picard to be a god, a primitive culture seizes Troi and prepares to sacrifice her to him.
THE BONDING When the ship's archeologist is killed on a mission, an alien takes her form and confuses her son who has yet to grieve.

DISC TWO

BOOBY TRAP The Enterprise is caught in an ancient alien trap that captures the ship and converts its energy into lethal levels of radiation.
THE ENEMY After Geordi is stranded on a storm-ravaged planet, the crew's attempts to rescue him are hindered by aggressive Romulans.
THE PRICE Troi is swept off her feet by a dashing delegate who uses unethical methods in negotiations for the rights to a stable wormhole.
THE VENGEANCE FACTOR The crew's attempts to mediate a dispute between warring clans is sabotaged by a mysterious assassin.
THE DEFECTOR A Romulan defector leads the crew into a showdown that threatens to erupt into a full-scale war.

DISC THREE

THE HUNTED The Enterprise is attacked by a soldier who is the victim of government mind control which has turned him into a violent killer.
THE HIGH GROUND Dr. Crusher's abduction by a radical terrorist group thrusts the crew into an explosive civil war on an alien planet.
DEJA Q The crew is surprised by the appearance of their mischievous nemesis, Q, who claims he's mortal and been banished by the Q continuum.
A MATTER OF PERSPECTIVE Riker is suspected of murdering a respected scientist who had accused him of seducing his wife.
YESTERDAY'S ENTERPRISE History is altered and Tasha Yar is still alive when the Enterprise-C emerges from a temporal rift.

DISC FOUR

THE OFFSPRING Data becomes a father when he creates an android daughter using a transfer of his own neural programming.
SINS OF THE FATHER When his long-lost brother appears on the ship, Worf is thrust into a life-or-death battle for his family's honor.
ALLEGIANCE Without the crew's knowledge, Picard is kidnapped and imprisoned by aliens while being replaced by an evil imposter.
CAPTAIN'S HOLIDAY While on vacation, Picard becomes entangled in the search for a missing weapon from the future.

DISC FIVE

TIN MAN The crew is thrust into a deadly showdown with the Romulans over a newly discovered life-form in a remote star system.
HOLLOW PURSUITS The crew struggles to help Lt. Barclay, whose obsession with the fantasy world Holodeck begins to affect his duties.
THE MOST TOYS The crew are fooled into thinking Data's dead when a greedy collector stages a shuttle explosion and kidnaps him.
SAREK The Enterprise is plagued by an outbreak of violence when it is visited by renowned Vulcan Ambassador Sarek, who may be the cause.
MÉNAGE À TROI The Enterprise is thrown into chaos when Riker, Troi, and her mother Lwaxana are kidnapped by an obsessed Ferengi.

DISC SIX

TRANSFIGURATIONS The Enterprise rescues a mysterious humanoid with amnesia whose remarkable powers affect the entire crew.
THE BEST OF BOTH WORLDS After destroying a colony, the evil Borg capture Picard in an attempt to conquer the human race.
