SEASON TWO

DISC ONE

THE CHILD While preparing to transport a deadly plague to a research lab, the crew is stunned to learn that Counselor Troi is pregnant.
WHERE SILENCE HAS LEASE The crew is held hostage in a mysterious void by a being who performs deadly experiments.
ELEMENTARY, DEAR DATA Playing Sherlock Holmes, Data uses the Holodeck to solve a mystery that threatens Dr. Pulaski's life.
THE OUTRAGEOUS OKONA While the Enterprise plays host to a witty renegade captain, Data struggles to acquire a sense of humor.
LOUD AS A WHISPER The future of a warring planet depends on a deaf mediator, who suddenly loses his ability to communicate.

DISC TWO

THE SCHIZOID MAN A brilliant but terminally ill scientist seeks eternal life by transferring his mind into Data's body.
UNNATURAL SELECTION Dr. Pulaski falls victim to a mysterious disease which causes humans to die of old age in a matter of days.
A MATTER OF HONOR Riker's loyalties are put to the test when he is assigned to a Klingon ship which plans to attack the Enterprise.
THE MEASURE OF A MAN When Data refuses to be disassembled for research purposes, Picard defends his rights in court.

DISC THREE

THE DAUPHIN Wesley finds romance with a beautiful young ruler whose secret power could destroy the Enterprise and its crew.
CONTAGION The Enterprise's computer system falls prey to a mysterious electronic "virus" which programs the ship to self destruct.
THE ROYALE After the discovery of a piece of metal bearing a NASA insignia, the away team finds itself trapped in a novel come to life.
TIME SQUARED The Enterprise discovers a duplicate shuttlecraft containing an exact double of Picard from six hours in the future.
THE ICARUS FACTOR Riker's long-lost father reappears on the eve of his departure to become captain on a new starship.

DISC FOUR

PEN PALS Data races against time to save the life a little alien girl on a planet doomed for destruction.
Q WHO? Hurled far outside Federation space by Q, the crew is set up for destruction by a race of cybernetic aliens known as the Borg.
SAMARITAN SNARE While Picard fights for his life in surgery, Geordi is held hostage by seemingly slow-witted humanoids.
UP THE LONG LADDER The rescue of a missing earth colony leads to the discovery of a civilization composed entirely of clones.
MANHUNT In her search for the perfect mate, Troi's mother Lwaxana beams aboard the Enterprise—and sets her sights on Picard.

DISC FIVE

THE EMISSARY Worf 's former love arrives to deal with a Klingon sleeper ship whose occupants think they are still at war with Starfleet.
PEAK PERFORMANCE A simulated war game turns deadly when the crew is ambushed by a Ferengi battleship.
SHADES OF GRAY Riker is struck down by a deadly microbe which invades his central nervous system and attacks his brain.
